ONLINE
INSTRUCTOR
FOR
IDAHO DIGITAL
LEARNING**

Recruiting in both Middle & Secondary Content Areas for Academic Year 2012/2013

Enjoy the **FLEXIBILITY** afforded by teaching online, whether you are adding this experience to your current teaching career, taking it up during retirement or during stay-home-parenthood.

IDLA is a statewide virtual public school offering a diverse array of courses to Idaho students working in collaboration with Idaho schools.

Learn about **IDLA** and our hiring process by visiting our website.

IDLA offers supplemental online courses, ranging from DC/AP to credit recovery, to a wide range of students across almost all of Idaho's school districts. Please check out our website for qualifications and the application process.
