This schedule may change without notice. For the most current schedule and full course catalog, visit the Idaho Digital Learning Alliance website at www.IdahoDigitalLearning.org or call 208 342 0207 or scan the QR code.

IDLA is now offering classes in English Language Arts (ELA), Math, Science and Social Studies for grades K-5!

Each IDLA Elementary course is supported by Idaho certified teachers and is personalized for each student. Each course consists of a combination of synchronous live sessions where students will attend class at a set time with their peers and teacher, in addition to independent work that can be done at any time that is convenient for the student and family. Students who are enrolled in classes can take just one or take a combination of courses.

A parent, school staff, or designated adult is needed in close proximity and available to children when they are learning. This adult will:

- Complete an orientation class with their student(s) prior to starting.
- Monitor their student(s) to ensure they log in, complete assignments, and attend the live instruction for both subjects.
- Make sure your student completes work every day
- Communicate with their student's teacher about needs, successes, absences, etc.

COURSES

Everyone Can Create with iPads - Elementary
This is a \$35 fee and is appropriate for 3-5th grade
