- Registration begins: October 11, 2021
- Session Starts: January 10, 2022

SPRING LATE 2022

- Registration begins: October 11, 2021
- Session Starts: January 24, 2022

COST?

- \$60 per course for ELA
- \$60 per course for Math
- \$30 per course for SS/Science
- To register, contact your school's site coordinator or counselor.

IDLA is now offering classes in English Language Arts (ELA), Math, Science and Social Studies for grades K-5!

Each IDLA Elementary course is supported by Idaho certified teachers and is personalized for each student. Each course consists of a combination of synchronous live sessions where students will attend class at a set time with their peers and teacher, in addition to independent work that can be done at any time that is convenient for the student and family. Students who are enrolled in classes can take just one or take a combination of courses.

A parent, school staff, or designated adult is needed in close proximity and available to children when they are learning. This adult will:

- Complete an orientation class with their student(s) prior to starting.
- Monitor their student(s) to ensure they log in, complete assignments, and attend the live instruction for both subjects.
- Make sure your student completes work every day
- Communicate with their student's teacher about needs, successes, absences, etc.

LAUNCHPAD

IDLA is now offering enrichment and intervention classes in ELA and Math for grades K-5!

Wherever your students are, our Launchpad Elementary courses aim to help them soar to higher levels of achievement and foster a love of learning!

WHO: Launchpad is for students in grades K-5. Students are split into grade-level bands of K-2 and 3-5 but each student gets personalized instruction at their specific level and area of need.

HOW: Students will work in iStation for 20-30 minutes per day on highly engaging, individualized lessons. The IDLA teacher reviews progress and then meets synchronously with small groups of students for up to 5 hours a week to provide additional instruction in skills aligned to what students have learned in their independent practice time. Synchronous lessons will be aligned to student needs but also include time for students to enjoy reading and explore the world of numbers, share with their teachers, and interact with their friends. Launchpad classes are staffed by an Idaho Certified Elementary Teacher and principal at IDLA and are made successful through a strong partnership with local school staff.

WHAT: Districts must provide or ensure the student has a PC, Macbook or Chromebook. Phones and tablets are not compatible.

ELA LAUNCHPAD

- ELA Launchpad 1 is a reading literacy intervention and enrichment course for students in grades K-2
- ELA Launchpad 2 is a reading literacy intervention and enrichment course for students in grades 3-5

MATH LAUNCHPAD

- Math Launchpad 1 is a math literacy intervention and enrichment course for students in grades K-2
- Math Launchpad 2 is a math literacy intervention and enrichment course for students in grades 3-5

STUDENTS MAY NOT BE CONCURRENTLY ENROLLED IN AN IDLA ELA OR MATH ELEMENTARY COURSE.

COST

\$30 per enrollment

CUSTOM SESSION

Launchpad operates as a Custom Session only.

Districts can request a schedule that suits their needs within a 6-16 week time frame. Idaho Digital Learning will make every attempt to accommodate custom session requests for a minimum of 12 students.

To request a Custom Session, go to <https://www.idahodigitalllearning.org/site-coordinators/resources/>

PARENT INFO
